Visit the Clubhouse – the Heart of Our Community

The impressive 48,000 square foot, two-story clubhouse sits in the center of our campus, surrounded by the condominium buildings. It is the heart of Lansdowne Woods around which the resort lifestyle evolves. It is important for prospective residents to understand that they are buying into an active lifestyle. Touring the clubhouse helps clients visualize the new lifestyle that is a part of living at Lansdowne Woods.

The clubhouse is the site of musical performances, serious discussions, fund raisers, charity events, and happy hours. The clubhouse has a fully outfitted fitness center, a huge indoor pool, sun deck, saunas, restaurant, woodshop and art studio. And also a restaurant with summer patio, tennis courts, walking paths, and garden plots.
